Join our list

We at Voyage-Air Guitar specialize in building only the highest quality acoustic and electric stringed instruments. We take pride in our skilled product staff, well educated and experienced sales people, and of course our product line: The world's first and only full-size acoustic and electric instruments. Our belief is that every player should be able to take their guitar wherever their music takes them. If we can be of service to you or for more information contact us.

Sincerely,

The Voyage-Air Guitar Team
