

Thank you for watching ABC TV's "Shark Tank", and visiting the [Voyage-Air guitars website](#) after the show! You are indeed one of the lucky ones!

Because you registered online, you are part of the ONLY GROUP that is eligible for the special ST-Voyage-Air guitar. **ONLY \$599 +\$24 shipping and handling (add sales tax for California sales). This is \$200 below the lowest price ever advertised for a Voyage-Air folding guitar, and this offer is only good while supplies last.**

The ST-Voyage-Air guitar will provide you the freedom and flexibility of a "travel guitar", with the rich sound and projection that you can only get with a full-size instrument. Available in two popular and traditional styles, both with a handy carry bag, and at the same low price of just \$599 while supplies last!

The incredible "ST-Voyage-Air Guitar" is only available through [TakeYourGuitar.com](#). In fact, this model came about through an exclusive arrangement, based on their purchasing power. [TakeYourGuitar.com](#) is the largest authorized reseller of Voyage-Air guitars in the world, and they have a sterling reputation for quality service.

This Shark Tank model has been selling fast. **Realize: there are not enough left of this special model guitar for all who registered for the special Shark Tank offer. As of August 27, 2009, TakeYourGuitar.com still has quantities of both the OM-style and Dreadnought models in stock.**

But because this is a special model, when they're sold out, that's it. Don't miss out!
