

Okay. Don't let this one get away!

Remember? The Voyage-Air folding guitar? You registered online for a chance to buy the special "Shark Tank" discount version of this amazing guitar.

Today, September 1, 2009 is the LAST DAY you can buy this limited Shark Tank Edition guitar for only \$599 +\$24 shipping and handling (add sales tax for California sales). **This extraordinary \$200 discount is below the lowest price ever advertised for a Voyage-Air folding guitar and this special offer is only good until midnight tonight.**

Lucky for you, there are still limited quantities of the smaller OM-style guitar (great for students), but just a few of the powerful Dreadnought model (great for performers).

FINAL NOTICE: Today is your last chance to order your Voyage-Air guitar at this special discounted price. This one-time Special Television offer ends tonight at midnight.
